Created

Russ Miller  
&  
Joe King

In the early '80s Joe parlayed his position as one of the original Blue Sky Rangers, [Mattel Electronics video game designers] into a Department of Defense [D.O.D.] software engineer, enjoying a TOP SECRET security clearance at Lockheed's fabled Rye Canyon facility [Skunk Works], original nest for the SR-71 Blackbird fleet.

Today he suffers the slings and arrows of outrageous mis-fortune - frequently at the hands of other cartoonists!

The 2004 Pulitzer Prize Nominee most recently served as Artist-In-Residence at the Charles M. Schulz Museum and is currently in production of several self-syndicated comic strips distributed world-wide under the banner of his publishing forge: [www.FUNNYPAPERZ.com](http://www.FUNNYPAPERZ.com); a whimsical fusion of fine art, popular culture and humorous illustrations. Joe King, a native Californian - born in the shadow of The Lone Ranger Rock - is making the world a funnier place one cartoon at a time.

- putting on airs!

"No weapon that is formed  
against thee shall prosper; and  
every tongue that shall rise against  
thee in judgment thou shalt condemn.  
This is the heritage of the servants of the LORD,  
and their righteousness is of me, saith the LORD."  
~ Isaiah 54:17

"The Spirit of the Lord GOD is upon me; because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound; To proclaim the acceptable year of the LORD, and the day of vengeance of our God; to comfort all that mourn; "  
~ Isaiah 61:1-2

**A former Theistic Evolutionist, Russ states, "After God let me see that science does not support 'millions of years leading to Darwinism' and that false teachings have undermined billions of people's faith in Jesus, I felt called to help others."**
