*"For my wedding, I will dress in black
And never again will I look back
Ah, my dark angels we must part
For I've made a sanctuary of my heart*

*To want what I have
To take what I'm given with grace
For this I pray
On my wedding day"*

~Don Henley

*"And those who need adventure,
They can sail the seven seas
And those who search for treasure,
They must live on grander dreams
This world is kinder to
The kind that won't look back
They are the chosen few,
Among us now, unbowed somehow
I buried all my dreams for someone else to find
In my pirate days
We rose and fell just like the tides,
She filled my heart and soul and I
I came to the end of my pirate days"*

~Mary Chapin Carpenter
