A Message from Mayor Boyd W. Dunn

Hello,

What a great time of year to be living in Arizona - and in Chandler! The weather has cooled off, and it's the perfect point in the year to explore the many outdoor amenities that we have in our City. And there are plenty. Chandler's parks and recreational programming provides a great avenue for fun activity that, young or old, we all can enjoy to the fullest.

And if you missed out on the Mayor's Wellness Challenge in September, now is a great chance to get an early jump on those New Year resolutions.

As I've said in the past, Chandler has so many ways to play it's no wonder we've twice been named a Playful City by Kaboom, and have for three straight years been named one of the 100 Best Places for Youth by America's Promise.

Chandler's Tennis Center and Playtopia at Tumbleweed Park, our Paseo Trail system, ball fields, basketball courts and Bear Creek Golf Course offer up a great way to get exercise and enjoy Chandler's beautiful fall and winter climate. And don't forget the eclectic assortment of family festivals and events scheduled for this time of year.

This past spring we opened two wonderful new facilities that give residents even more reasons to get out and about. Veterans Oasis Park and the Tumbleweed Recreation Center are two places that offer almost unlimited recreational opportunities. Veterans Oasis Park is located at Lindsey and Chandler Heights roads and is part of a larger facility that includes an urban fishing lake, trails, an environmental education center and riparian area.

Located at Tumbleweed Park, the new, 62,000-square-foot recreation center includes a gymnasium, racquetball courts, indoor jogging track, on-site daycare, classrooms and more.

And believe it or not, there's even more to do and it's all highlighted here in the pages of Break Time. Flip through it's pages and see for yourself, then, hit the road and enjoy all we have to offer right here in Chandler.

Sincerely,

Boyd W. Dunn
Mayor

Qualified instructors are needed for a variety of subjects, such as dance, language, arts and crafts, fitness or other educational areas. You may also submit your own ideas for classes. Our classes are taught at several community centers and recreational facilities and at various times of the day and evening. Staff will work with you to find a time and location to best fit your needs. Instructor pay starts at \$11.50 per hour and is dependent on experience. If you possess the desire and ability to teach others what someone once taught you, call 480-782-2727 to offer your services. The instructor application is also available on the Web at www.chandleraz.gov/recreation.

An individual who has been told by a medical professional that he/she has a medical condition that is likely to cause harm to him/herself or other participants is obligated to inform the City of this condition or to withdraw from the program.

Most City facilities have convenient, plentiful and free parking. If you are visiting any of the facilities in the downtown Municipal Complex there are several parking options, including two parking garages, surface and street parking. The main Community Center, Senior Center, Library, Museum and other City offices are served by a parking structure at 100 E. Boston St. This garage is open 24 hours a day, 7 days a week. Touch Tone Registration FAQs

Note: This registration option will be eliminated starting spring 2009.

What is Touch Tone?

Touch Tone registration is a 16-line automated phone registration system available to residents 24 hours a day, seven days a week, except during the times the system will be taken down for maintenance (Wednesdays, between 7-10 a.m.). The system can be accessed from any push button telephone!

How do I use Touch Tone?

Individuals wishing to use our Touch Tone registration process must have an account in good standing, a customer I.D. and numeric password. Once these items have been established all you need to do is call **480-782-2985** during our posted registration times and follow the voice prompted directions!

How do I request a customer I.D. and password?

The Community Services Department will accept inquiries for your customer I.D. and numeric password through November 14, 2008. Please call 480-782-2640 or e-mail us at ParksAndRec@chandleraz.gov to set up an account Monday-Friday between 8 a.m. and 5 p.m. Please make sure you ask for each family member customer I.D. Only the payee will require a customer I.D. and numeric password.

What if I experience a busy signal?

We anticipate that on the first day, especially during the first couple of hours of registration, individuals may experience a busy signal. This means all 16 phone lines are currently busy - please continue to re-dial. We installed 16 lines to help eliminate the possibility of a busy signal, however a busy signal may still occur.

Do I need customer I.D. numbers for all family members?

Yes. For each person you want to enroll in a class or program you will be prompted to enter his or her customer I.D. The system will not allow you to register a participant without their customer I.D. The payee is the only person who requires a numeric password.

Can I have an online account and Touch Tone account?

Yes. Customers who have an existing online account will need to log into the system and change their current password to a numeric password. It's that simple. You now have the option of online or Touch Tone available to you.

Do I need a credit card to use Touch Tone Registration?

Yes. In order to complete your Touch Tone transactions and confirm your enrollment you must pay by credit card. The City of Chandler currently accepts Visa, Master Card and American Express.

Why doesn't my registration work on Touch Tone?

There could be a number of reasons:

- The class is not open for registration when you are trying to register.
- Some classes require special registration data and therefore cannot be accessed via the Touch Tone system. Classes that are not available for Touch Tone will have a symbol with a crossed-out phone by the class description.
- You do not have a customer I.D. and password.
- You or your child do not meet the class minimum age requirement.

Do I need to sign a liability waiver?

Yes. There will be a liability waiver attached to your registration receipt that will be mailed to you. It is your responsibility to sign the waiver, and turn it in to the instructor on the first day of class.

Will I receive a confirmation receipt?

Yes. The Community Services Department will mail you a confirmation receipt. You will be given a receipt number when completing your transaction(s). Please keep this number until you receive your confirmation in the mail.

What if I forgot my login name or password?

Call 480-782-2640 between the hours of 8 a.m.-5 p.m. Monday through Friday and we will be happy to assist you. Please plan ahead and call before registration starts so that we may assist you promptly. If you wait until registration opens on Saturday, November 15, we may not be able to assist you before the start of registration.

What if I do not have an e-mail address or home computer?

You may visit any of the four Chandler Public Libraries to set up your free person e-mail account. A reference librarian can assist you. We also have scheduled our registration to start at 10 a.m., which allows individuals without computers to go to a public library or other agency and use their computers. For more information on how to establish a free e-mail address, call 480-782-2803.

Can I have an online account and touch tone account?

Yes. **Numeric passwords are now required for new customers and we strongly recommend that current users login to the system and convert their existing password into a numeric one. This will allow you to use both systems.** It's that simple.

Do I need a credit card to use online registration?

Yes. In order to complete your online transaction(s) and confirm your enrollment you must pay by credit card. The City of Chandler currently accepts Visa, Master Card and American Express.

Why doesn't my registration work online?

There could be a number of reasons:

- ♦The class is not open for registration at the time you are trying to register.
- ♦Some classes require special registration data and therefore are not available for online registration. Classes that are not available for online registration will have a symbol of a crossed-out computer by the class description.
- ♦You have not properly logged onto your account.
- ♦The system is temporarily unavailable due to a large number of users at the same time or system maintenance. The City of Chandler addresses maintenance issues every Wednesday from 7-11 a.m.
- ♦You or your child does not meet the minimum age requirement for the class. He/she is either too young or too old for the class.

Is there a time limit to register?

The City of Chandler has eliminated the previous time limit (45-minute clock) in order to better assist our customers. Please remember that you will be unable to register until 10 a.m.

Do I need to sign a liability waiver?

Yes. There will be a liability waiver at the bottom of your registration receipt. It is your responsibility to sign the waiver, and turn it in to the instructor on the first day of class.

What should I do if my e-mail address has changed?

Please notify us if you have changed your e-mail address. Call 480-782-2640, or send an e-mail to ParksAndRec@chandleraz.gov with your new address.

What if I am trying to register and it says, "Payee is not the correct age"?

There may be a couple of reasons for this:

- ♦Your birth date is incomplete or you have left it blank and it needs to be added/corrected.
- ♦You are outside the age specified in the class description. Remember online registration is age specific.

Has your e-mail address changed?

To continue to receive the latest news about Break Time and class registration, please notify us of your new e-mail address by calling 480-782-2640, or send an e-mail to ParksAndRec@chandleraz.gov with your new e-mail address.

Has your zip code changed?

Do you live in the new 85286 zip code? Please access your account at www.chandleraz.gov/registration and update your address information or call 480-782-2640, or send an e-mail to ParksAndRec@chandleraz.gov with your new mailing address.

Chandler Pool Rules & Regulations

- Pool Manager and lifeguards have complete authority in the pool. Please remember, lifeguards are on duty to provide a safe environment and respond and assist with aquatic emergencies. It is the parent or guardian's responsibility to watch their child at all times.
- No cash refunds. Please understand we may not always be able to communicate at the admission window situations that are occurring in the pool (i.e. fecal incident, emergency situation) prior to you entering the pool. If you request a refund a Free Pass will be issued in lieu of cash refund and can only be issued by the Pool Manager on duty. This may require a long wait while the Pool Manager resolves the more critical issue that increases water related illnesses or public safety.
- Children 7 and under must be accompanied by a responsible teenager, 13 years or older, or adult.
- Children who are not potty-trained must wear swim diapers at all times at all Chandler aquatic facilities.
- Flotation devices and water wings are prohibited unless U.S. Coast Guard approved.
- Feet first entries only in water less than 5 feet. Diving head first into water less than 5 feet may cause severe spinal cord injuries.
- For the protection of all our guests, the use of cameras, cell phone cameras, video recording devices and equipment with digital photography capability is prohibited in our bathroom/locker room area. Video recording and photography of any kind within the pool area must be approved by the Pool Manager.
- One cooler per family is allowed into the facility. Food must be consumed in the concession area. Glass containers and alcoholic beverages are prohibited.
- Parties of any type are prohibited during public (recreational) swim hours unless booked and paid for through the City's contract concessionaire or a private rental.
- All aquatic facilities are smoke-free (smoking is strictly prohibited in aquatic facilities located on school sites, even outside the aquatic center and parking lots).
- We ask all guests to shower and use the bathroom before entering and enjoying the pool.
- Guests who are sick or ill (diarrhea, incontinent, vomiting) are asked to visit after they have recovered from their illness.
- Guests with open wounds, sores, inflamed eyes, colds, nasal or ear discharges, boils or other acute or obvious body infections or cuts shall be excluded from entering the facility.
- Fecal Incidents: Maricopa County Health Departments fecal incidents regulations. There are different procedures that must be followed for solid and liquid fecal incidents. All fecal incidents require the pool to be cleared for a minimum of 30 minutes in order to remove and treat the incident appropriately. To avoid the pool being shut down for a 24 hour period, please make sure children who are not potty-trained wear swim diapers and please do not bring sick children to the pool. We want to keep all guests healthy and safe.
- Please keep gate(s) closed – do not prop open.
- Please observe all safety regulations.
- Guests are allowed to wear t-shirts to protect their skin from the Arizona sun. Please wear a clean shirt.

Swim Lesson Class Descriptions

The ages listed on this page are for basic guidelines only (exception the Seahorse, Otter, and Surfer classes). Your child may be more or less advanced than the suggested ages. A general rule of thumb is that children will remain in the same level for at least two sessions. Do you need to know what level to register for next? Your child's current instructor can provide detailed information. Place your child by skills and abilities. We have adjusted the ages on our On-Line and Touch Tone registration processes to assist you. The ages listed for the Seahorse, Otter, and Surfer class will be strictly adhered too. The descriptions on the class list are available to assist in educating our customers on the variety of classes the Aquatic Program has the capability of offering. Some classes may not be offered during our fall, winter, and spring lesson programs. Course descriptions can also be found at:

Snedigar field expansion overview? / TBD

Paseo Trail Overview

Started during the drought year of 1891, the Consolidated Canal was masterminded by Dr. A.J. Chandler and his Consolidated Canal Company. Dr. Chandler's desire was to bring water to the area that now bears his name. Today, in addition to delivering water, the Consolidated Canal is being used for recreational and transportation purposes.

A Paseo by definition is defined as a public walk or boulevard. Chandler's Paseo Project is located along the banks of the Consolidated Canal beginning just north of Chandler Boulevard at Galveston Street and extends south approximately 6.5 miles to Riggs Road. This linear pathway system provides a place for the citizens of Chandler to hike, bike, jog, and ride horses. This open space system accommodates both passive and active recreational uses while serving as a complementary linkage to the parks along the corridor, such as Pima, Tibshraeny Family, Homestead, Los Arboles, Tumbleweed, and Pinelake Parks.

The Paseo Trail system features a lighted 10' wide concrete multi-use path along the eastern side of the canal and an equestrian path along the western side of the canal. Also included in the master plan of this project is the development of trail-heads, seating and rest areas, and linkages tying into adjacent parks as well as the nearby neighborhoods.

Each year the City applies for grant funding through the Arizona Department of Transportation's Transportation Enhancement Program. In regards to this project, the City has been extremely fortunate to have had four (4) of its applications, totaling over \$2.1 million, selected under this program.

CHANDLER BARK PARKS

Bring your dog out for some well-deserved exercise and fun at one of Chandler's three dog parks. These facilities are open daily from 6:30 a.m. to 10:30 p.m., unless closed for routine maintenance or for City programs such as Police K-9 training or dog obedience classes. No children under age 12 are allowed in the dog parks.

Shawnee Park, 1400 W. Mesquite [North of Warner Rd. between Alma School and Dobson roads]

Snedigar Sportsplex, 4500 S. Basha Rd. [Alma School Rd. south of Ocotillo Rd.]

West Chandler Park, 250 S. Kyrene Rd. [Kyrene Rd. south of Chandler Blvd.]

The City's Bark Parks have some unique amenities designed just for dogs, including several training obstacles that the Police Department purchased through a grant. The obstacles include a see-saw, balance beam, tunnel, hurdles, and a large A-frame. Other amenities include benches for us humans, pooper-scoopers to pick up after Fido and his friends, doggy drinking fountains, a fake fire hydrant (at Snedigar Bark Park only), and plenty of parking. The parks are surrounded by 6-foot high chain link fences with one main entrance so dogs can't escape unleashed.

The Bark Parks are open to the public daily from 6:30 a.m. to 10:30 p.m., except when they are closed for routine maintenance or reserved for city sponsored programs such as dog obedience classes and Police K-9 training.

To ensure that owners and their pets have a great time while visiting one of Chandler's Bark Parks, there are a few rules all visitors must abide by. For example, all dog owners are asked to pick up after their pooch. Policing your pet is no problem here! The city has provided pooper-scoopers and a special waste receptacle to help owners do their part.

The City also asks that the special training obstacles be used for dogs only. They are specially designed to help train and exercise dogs, but they are not built for children or adults. Other rules include keeping your dog under voice control and in your sight at all times, dogs must be vaccinated, dogs in season are not allowed, and no smoking or eating is allowed within the fenced area. These and other park rules are posted at the main gate of the Bark Park.

*Be sure to bring doggie treats to reward your dog while at the park, especially when he's been canine friendly to everyone!
For more information about Chandler's Bark Paks, call (480) 782-2727 or visit www.chandleraz.gov/recreation.*

PLEIN AIR (OPEN AIR) WRITING

Nature can move us in inexplicable ways. Plein air painters take their canvases and paints out into the open to produce a sketch that captures the essence of a moment in nature. People who are not artistically talented can still capture the moment, but through words. All it takes is a notebook and a writing instrument. Come learn how to capture a view, a moment, or an insight for future use, whether just to recall a trip to the edge of the Grand Canyon or to provide material for a work of prose or poetry. Through writing, we can explore and discover our selves and souls in order to become more in tune with nature and perhaps, in the end, with each other.

Our Philosophy

At the City of Chandler Therapeutic Recreation Program, our mission is to enhance the quality of life for individuals with physical, mental, emotional, or social limitations. We strive to facilitate the development, maintenance, and expression of an appropriate leisure lifestyle for individuals with developmental disabilities. Participants typically are part of one or more of the following areas: sheltered workshop, special education classes, and one whose mental and/or physical disability limits that person from participating in regular recreation.

REGISTRATION PROCEDURES

Individuals who meet the criteria represented in the philosophy above, and who are interested in joining these programs, should contact the Chandler Parks & Recreation Division in order to receive a registration form and become enrolled in the Therapeutic Program (new participants only).

All participants must have a current registration form with the City of Chandler. All participants will automatically be put on our mailing list and will receive the monthly calendar, flyers, and other information regarding our programs.

Participants interested in Special Olympics sports need to complete a **Arizona Special Olympics Medical Form** in order to compete. Please contact Collette Prather at 480-782-2709 to obtain a registration form or medical form.

Playtopia

Playtopia is a free, 2.5-acre playground and picnic section of the City's Tumbleweed Park. It features several play zones with themes based on Chandler's heritage. Playtopia is an ideal place for endless imaginative play, and attracts families from all over town. The Playtopia parking lot is located south of Germann Rd. on Hamilton Street, one-quarter-mile west of McQueen Rd. Playtopia consists of four distinctly themed components:

Farm land

Numerous slides, bridges and climbing features designed to incorporate the farm life theme. Almost all of the farm land play equipment is under the protective shade provided by a large red barn canopy.

City land

An urban-themed landscape with paved streets, street signs, lampposts and vehicles you would find in any big city. In addition to offering climbing, riding, and sliding structures for kids, City land streets are great for riding tricycles and small bikes.

Critter land

Children can hop on the back of a massive Gila Monster, walk through giant tortoise shells, and get down-and-dirty digging' in the dirt to discover dinosaur bones. It's a great place for kids to explore and climb and expand their minds.

And there's more!

Playtopia amenities include swings, benches, restrooms, barbeque grills, sand volleyball, horseshoe pits, and 14 covered ramadas with picnic tables and seating that can be reserved for your family or corporate gathering. Of the ramadas, there are five that will accommodate 15-25 people, six that will handle 20-30 people, two pavilions for large gatherings of up to 80 people, and one giant corporate pavilion with a capacity of 320 people.

HISTORIC RESORTS OF ARIZONA - DECEMBER 9 – FEBRUARY 28

This photographic exhibit will highlight many of Arizona's unique historic resorts, including a glimpse of the early years of Chandler's San Marcos Hotel, which opened in 1913 and featured the first turf golf course in the State. After viewing the exhibit, find more information on these resorts in our Visitors Center, and perhaps visit a historic Arizona resort yourself.
